1	Son is autistic	7/24/2019 10:02 AM
2	Wheel chair accessible	7/24/2019 3:51 AM
3	More trails or trail option, like a boardwalk or such would be awesome. Access to parks and such with more PWD parking spots.	7/20/2019 9:00 PM
4	Certain baseball fields are harder to access	6/12/2019 10:34 AM
5	I am not sure which facilities these are. If they are playing fields, I can only say that wheelchairs and walker in grass are almost impossible. A little asphalt path or square to sit on would improve that for those involved in sporting events. The municipal building is of course not optimally accessible to say the least, but I hope that will be resolved with the new building. An electronic door and flat entrance is always welcome,	6/12/2019 10:24 AM
6	Stairs are very difficult for me now which makes access to the baseball fields difficult	6/12/2019 10:22 AM

1	Renovated/expanded to provide adequate bathrooms, meeting/event space, storage space for rec programs (if necessary), and would be great to work with provider to add a cell booster or wireless (if possible/cost effective). 26	AC for the hot weather. I'm sure the election polling volunteers would appreciate this as well. Add a roof extending from the stand over a cement slab for shade plus picnic tables. Also. Shade trees were promised when the last soccer field was made & a vast amount of trees were felled for the construction I fought against all the trees coming down but was told it would be easier to plant new ones - this was YEARS ago . Too much open area with NO shade trees. Bathrooms should be updated & reopened	6/12/2019 10:48 AM

363	It needs major improvements or a tear down. My kids have played sports for about 14 years and I have been to many facilities. CO is one of the worst. The bathrooms have not worked in 14 years. Many Byram residents who are licensed contractors have wanted to donate their time and materials to renovate the bathroom, kitchen, and the announcement booth, and they have not been allowed. Patents have had to go paint things in the middle of the night so our facilities don't continue to fall apart and have it look trashy. I don't see why the town would turn down donations to improve the facilities for our children.	3/15/2019 2:09 PM

267	It ok. I'd like to see coaches not park in the handicapped spaces at CO Johnson.	3/20/2019 1:06 AM
268	Good. However, I didn't think of Johnson Lake as being accessible by Tamarack Park until reading the previous question. Parking may need to be improved if there were to be a kayak launch there.	3/20/2019 1:04 AM
269	CO parking is bad on Bert busy sports days	3/20/2019 12:54 AM

86	Our family would love to see a town pool. We have enough parks!!! In the town I grew up in, North Bergen. We had a huge county park that provided a swimming pool, an area with swings, etc for younger children, sports fields, a lake for fishing, and miles of paved walkways for people to walk, ride bikes, skateboards, etc. We also had a town pool. I've been a summer resident since I was 7 yrs old and a year round resident since I was 14. There is nothing for the kids of Byram to do, never mind the adults. There is no where for the kids to gather to socialize and have fun while being safe. I remember being a young person in this town, and I raised a child in this town, and we both had the same complaints growing up. Maybe an indoor recreational center where kids or adults could go to play pool, air hockey, video games, SOMETHING ! Maybe even a place to have a bingo night! For as wonderful as this town is, everyone has to leave it to find something to do. And not everyone likes to swim in these lakes. So we need to drive outside the town again to go swimming. I pay almost \$6,000 on taxes a year for the little dump I live in and I have to go to neighboring towns for any sort of real recreation. Unless I want to walk the trails endlessly. That gets old after the 100th time.	3/15/2019 3:53 PM

78	I think it's sometimes a burden on and an expense for the school to be used as a community indoor recreation facility. A municipal indoor facility is also a huge cost I wouldn't want it pursued until clear interest through participation was established, but we should move in that direction.	3/25/2019 4:56 PM

83	Build an indoor recreation complex. Not utilize school gyms. It can be as simple as an insulated pole barn with turf/basketball court, multiple courts would be ideal. It would add so much value to the township and our sports programs. You'd have teams renting it out year round. Set up a concession stand inside with clean bathrooms and the place would be a gold mine.	3/23/2019 2:35 PM

120	In my opinion allamuchy state park is one of the absolute gems of Byram Township. I think updating the trail maps as well as expanding the trails/access to the trails should be a priority for the township. Hiking is a free activity that helps get people in the outdoors, something the township should want its populace to engage in.	3/21/2019 8:21 AM

170	More availability for indoor recreation. Also, entrance into buildings needs to be improved. For the schools, you have practice at 5, but according to the rules, they can't open doors until 5 and then they have to be "manned" to let others in wasting time as a coach teaching athletes. More facilities would be beneficial! We are using fields at other towns for lacrosse because they have a bubble for the winter. It would be nice to have that in town. More activities for children to do in our area will bring more people here instead of them leaving.	3/19/2019 7:00 AM

9	I'd have no reason to come to Byram without these trails	4/24/2019 8:42 AM
10	Of the trails named here, I wasn't aware of the majority of them. I think that's the most eye opening problem.	4/19/2019 4:01 AM
11	Could use more advertising, maybe a school flyer. Lots of friends not familiar w/trails	4/18/2019 3:10 PM

18	Depends, for kids to play and go neighborhood to neighborhood. Not a major draw to the area by outsiders	3/22/2019 10:07 AM

1	We need a good balance for all residents. Trails, fields, courts, paths, events, activities, sports, etc. They all provide outlets for residents. We need to be sure we have opportunities for everyone and their particular stages of life.	8/12/2019 7:28 AM
2	I would love to see a dog park	8/9/2019 6:55 AM
3	Byram seems to have a flavor of the day with no real direction, I've tried volunteering on council's but found that most folks were either motivated by self interest or self promotion, Few want to get their hands dirty.	7/29/2019 6:08 AM
4	whatever you do avoid the Young Forest Initiative and other forest 'stewardship' scams that just destroy forests and natural beauty while supporting like maybe two handfuls of people's pocket books!	7/25/2019 9:35 PM
5	taxes suck. who cares about trails when your house will not sell. nobody ever said " I'm willing to pay a 40% up-charge on property tax for some trails"...learn how to do more with less, just like everybody else	7/24/2019 6:51 PM
6	Yes CO Johnson needs a turf field that has use for multiple sports like football baseball soccer, lacrosse, field hockey. Also we need something more like what Mount Olive has such as the splash pad and we need to let business develop in this town like Marshalls Large restaurant chains anything to bring more money to our town. It would be nice to fill these large run down empty lots and rundown buildings to something profitable	7/24/2019 10:17 AM
7	I am opposed to the creation of any additional playing fields. They are too costly for the majority of taxpayers who never use them. If the various teams/programs want more fields, they should contribute a user fee.	7/24/2019 9:36 AM
8	Stop adding, maintain /fix what u have but do not add staff to do this.. stop promoting eco tourism as the primary solution.. focus government on essential services.. sorry but recreation is not essential	7/24/2019 7:34 AM
9	Don't allow the logging of our intact contiguous forests in the Highlands under the guise of creating habitat for certain species at the expense of our drinking water & the species that live there now! It's a SHAM what's happening to our Public open spaces! It's a travesty!	7/24/2019 6:53 AM
10	As a resident of 17 years who had both children start playing sports here at the age of 4 (soccer, baseball, football and lacrosse) I would have to say the use of the fields over the years became a huge problem. Lacrosse was never able to obtain any field space among the 6+ fields that are spread all over the town and had to play in Netcong. 95% of the youth players were/are from Byram. It was just in the last year that Byram opened up field space and even with that the youth had to play games at the High School which is in Stanhope. Football years ago wanted to upgrade the field and make it an all purpose turf with better lighting and that was shot down. The announcer's booth at CO has been in dire need of repair and plenty of volunteer's offered but the governing body wouldn't allow it. About 10 years ago there were numerous volunteer's who wanted to upgrade the inside of CO and donate flooring, plumbing, etc and that was shot down... Why? People move to this town in the most part for the schools and to have their families participate in sports, activities and everything is in major need of upgrades. It seems the governing body of this town makes you jump through hoops to try and get anything done and many people who volunteer endless hours end up giving up. This town also needs to work on allowing business's into this town that will attract people rather than our resident's going to every neighboring town to shop.	7/24/2019 5:45 AM
11	Reduce taxes! Bring in businesses to lower homeowner taxes	7/24/2019 3:57 AM

Byram Township Parks and Recreation Plan (PRP)

12	You're doing a terrible job of providing facilities, which is why most families with young children go to Mt Olive. You're also doing an abysmal job of attracting and maintaining businesses, which is why people shop elsewhere. No one likes living in a town of half- or totally abandoned strip malls, where traffic is allowed to fly at any speed down residential roads, and where the Mayor legitimately thinks a Quick Chek is going to attract positive business. We deserve better for our tax funds -- can we maybe convince Rob Greenbaum to come have a crack at running Byram? At least he might get us something for our taxes.	7/24/2019 3:56 AM
13	Stop ripping off taxpayers to fund a money pit course of action. Ecotourism will not reduce the sizable tax burdens already placed on the shoulders of overtaxed citizens.	7/23/2019 10:27 PM
14	Please stop raising our property taxes they are already the highest in the entire country and we may leave this state if they continue to rise.	7/21/2019 3:37 AM
15	I believe Byram is a beautiful place to live and has the perfect backdrop to create a township which is able to market a beautiful eco tourism attraction. My biggest concern is the lack of main street and restaurants. I would like to see 206 continue to be revitalized and made into that main street attraction with more attractive storefronts and restaurants with appropriate crosswalks and sidewalks to accommodate a walkable downtown. A walkable downtown paired with the beautiful trail systems and parks would make Byram a super attractive place to live and visit.	7/17/2019 5:07 AM
16	Get the word out so all residents are aware of the resources and programs in Byram!	7/12/2019 6:54 PM
17	Work with neighboring towns - the trails are pretty much in place to get from Netcong Train Station through Stanhope to the Sussex Branch Trail.	7/11/2019 7:45 PM
18	Creating a walkable "downtown/town center" with restaurants/bars/shopping, etc would bring a great deal of tourism to Byram as there are very few towns and communities with such an environment (such as Denville, Chester, Hackettstown, etc)	7/1/2019 1:12 PM
19	Tennis courts at C.O. Johnson have a large crack with weeds growing in crack. Please paint pickleball lines on at least one of the three courts. Thank you.	6/24/2019 1:06 PM
20	Dont waste any more money, assets, or time in creating grass athletic fields Put in a multi sport turf surface with lights like every other town in the state. It will get year round use and spring sports wont have to wait for the fields to open in mid april. Also, the grass is always too high for soccer in byram. Soccer is a sport where the ball needs to be passed on the ground, but byram will forever have tall grass which forces the children to kick the ball in the air. All sports can benefit since there can be off season training for baseball, football, lacrosse, field hockey and so on.	6/23/2019 6:14 PM
21	We need to make our town more updated. Route 206 needs a lot of new business.	6/16/2019 4:56 PM
22	An excellent example would be Roxbury/Succasunna's HORSESHOE LAKE recreational complex. I go over there frequently to hike and walk. They have a lake, beach, hiking/walking bike paths with distances marked, numerous ball fields for soccer and baseball, a playground, bathrooms. It's wide open, pretty, well maintained and safe.	6/16/2019 6:57 AM
23	Top Priority should be bringing NEW Buisness in Town	6/15/2019 12:57 PM
24	A great Byram asset. Thank you for working to maintain and improve.	6/15/2019 4:55 AM
25	No	6/13/2019 2:41 PM
26	I noticed that this survey is heavy on trails questions. They are great for long walks & exercise but there should be other a variety of additional activities for others. This town needs more businesses to fill up the empty buildings. We can't exist on hiking trails alone	6/12/2019 11:01 AM
27	Stop wasting my money on trails!!!	6/12/2019 10:58 AM
28	How about creating a Byram flea market on Sundays to attract visitors to our town. Similar to what Chester did many years ago on Sundays. Locate it at the Byram school field. All proceeds would go to the Rec Department. They could even sell food and our town could profit.	6/12/2019 5:09 AM
29	Build up our town, make it desirable. We have nothing here, no appeal.	6/11/2019 12:59 PM
30	Fix what we have first before spending money on unneeded items. Looks to existing infrastructure for improvement and not new.	6/11/2019 12:02 PM
31	Nope	6/11/2019 11:53 AM
32	I think a dog park would be great.	6/11/2019 10:40 AM

Byram Township Parks and Recreation Plan (PRP)

33	I am not sure of the name of the park, but it is the newer one on 206 north near North Shore Rd. I would love a walking track there. I have tried walking around the lawn, but it is uneven and bad for my ankles. Lately, the trails have been flooded. A track would be nice. Thank you.	6/11/2019 10:20 AM
34	I would be happy to get involved. Mary May, Realty Executives 973-222-0186.	6/11/2019 6:53 AM
35	Sidewalks, more Streetlamps, Crosswalks with Lighted, Flashing, Warning Signs (like Stanhope's Rt 183 crosswalk signs) and maybe even Speedbumps for development areas near our recreational facilities. One example - The many Children & Dogwalkers on Roseville Road's hills & curves, heading to CO Johnson Park, have no crosswalks and it's dangerous walking in the road because of no sidewalks.	6/11/2019 6:06 AM
36	Yes. What is being done to restore the Cranberry Lake Bridge? Isn't its photo on your web site?	6/11/2019 5:57 AM
37	Needs to do a better job notifying residents of upcoming events and activities. Most of the time I find out, after the event has taken place, in the local newspaper.	6/11/2019 4:44 AM
38	Have way too much open space. Bring in new business as taxes are obscene o	5/30/2019 1:51 PM
39	Better than many towns, Thank you. Continue to expand open space. Would love sidewalks on local streets to make safer for walking.	5/27/2019 4:29 AM
40	Focus on recreation development and dining. Byram is not a "walking town" for dining/eating. Get more rateables in form of businesses.	5/24/2019 1:37 PM
41	Recommend a turf field with a track around it!	5/13/2019 7:43 AM
42	Spend less on trails and more on street lights and sidewalks for the safety of residents and children.	5/6/2019 6:33 AM
43	A radical change to the trail system is not needed. The trails are great! Some refinement is needed in some areas to link the parks. Better marketing and advertising of local businesses is needed.	4/30/2019 3:01 PM
44	YES! No one understands the HORRIBLE state of C.O. Johnson Lake. You cannot put a boat dock on it until you make it kayakable. It's now barely passable in April, never mind in August with the weeds & logs! I'll show you personally by taking you on it.	4/29/2019 6:52 AM
45	Another nice quality casual restaurant in the area would be great after a few hours on the trails.	4/24/2019 11:22 AM
46	Regarding food trucks, I think it would lead to littering in trail parking lots. I would pay to access trails if the money would go to adding more trails and maintaining them but there are already options near by that are free and better so it would make it hard for Mooch to compete with those trails. Dirt bikes and ATVs are a huge problem and no one seems to be doing anything about them, just patrolling the parking lots you would find trailers used to bring off road vehicles to the trails and some people just drive on the roads to get to the trails. I don't volunteer because all the work get destroyed by off road vehicles.	4/24/2019 8:50 AM
47	We are dumping too much time and money into ecotourism. From November- March it's too cold to even be using. Please focus more on getting businesses to open in town to prevent our taxes from continuously climbing. Take care of the places our children spend time at doing sports, such as CO Johnson field. In order to keep our kids out of trouble we need to get them involved in positive things. It costs us parents a small fortune to put our children in these sports to begin with. Places such as hackettstown, only pay \$10 to play any sport. We should look into how our town can implement this so it encourages more families to get their kids involved. Many families in town don't sign their children up for sports because of the cost. Yet we have an ongoing drug crisis.	4/18/2019 5:54 PM
48	Thanks for the support	4/18/2019 5:42 PM
49	Please stop closing the fields every time the weather starts to look like it might do something. They are there to use. A few bare spots is fine vs not using them at all or going to other towns.	4/18/2019 4:12 PM
50	I think a school assembly & a flyer sent home about the trails and open space & recreation would be beneficial.	4/18/2019 3:15 PM
51	ATV usage is at an all time high as of late. Irresponsible riders are threatening hikers & bikers while destroying the trails and riding in an unsafe and reckless manner. Someone will get hurt if not addressed by local PD and/or State Park Police.	4/17/2019 2:29 PM
52	Byram realllly needs to have a dog park.	4/16/2019 12:36 PM
53	There should be more communication and ability to participate with these issues for working parents of small children. I'm proud of my hometown, but wish I could have better opportunities on weekends to socialize with other town residents on weekend activities.	4/16/2019 10:40 AM

Byram Township Parks and Recreation Plan (PRP)

54	A town pool would be nice. Or a splash pad. Or an updated playground with AstroTurf or a man-made, kid friendly ground covering.	4/16/2019 10:26 AM
55	Just maintain what we have.. this is a luxury... if we ran out open space buy then end open space tax.. it has fulfilled its purpose.. it should not be used for as a recreation budget.. recreation budget should fall under budget cap.. this circumvents it.. have a plan to maintain open space against invasive plants.. gypsy moth .. ash borer.. contract with a Forester "Meister".. Eco tourism is not the the. Answer .. too many parks/trails in surrounding towns.. not that unique.. need to focus on essential services at reasonable tax levels... question that you did not ask is at what price /loss of other services would you want these things .. without this context it is a wish list.. too few people in town benefit from this recreation... there is a very vocal minority of town people that want these services and Without asking at what cost it is not a useful exercise to frame questions in that s manner	4/16/2019 9:19 AM
56	Great job!	4/15/2019 6:58 AM
57	We would really like a community pool for Byram residents	4/12/2019 4:49 PM
58	Parks: LIGHTS on at least a couple baseball fields, Buildings maintained, Full size football field (should have made it at Tamarack Park if no room at CO, 50/70 Baseball field, LIGHTS on at least a couple baseball fields. Look to Mt. Olive for guidance.	4/9/2019 11:12 PM
59	Most importantly the current facilities need to be remodeled and improved. Bathrooms at CO Johnson need to be remodeled and reopened.	4/7/2019 2:08 PM
60	Remove the soccer field on Stonehedge/Sandra/Bridget so that your home values increase. Build more upscale housing developments like this one and Catalina, attract families to the township.	4/5/2019 5:58 AM
61	Please keep cost down. Taxes are hard enough in NJ. Our parks are great so keep them at the current level.	4/5/2019 5:38 AM
62	Kayak/paddleboard rentals at Jefferson Lake and Mt. Olive Quarry?	4/3/2019 11:33 AM
63	Stop spending any PUBLIC money! It has to stop!	4/3/2019 8:20 AM
64	Our local clubs/teams should have priority over outside for profit sports/teams in using our sports facilities. I do not think our local clubs teams should be charged a fee to use our fields. If our current tax dollars are falling short of the mark in maintaining and/or upgrading them, time to re-evaluate how our tax dollars are being spent.	4/1/2019 4:25 PM
65	Don't raise my taxes anymore?!!	4/1/2019 11:06 AM
66	I would appreciate any recreational activities especially in East Brookwood currently there is nothing. Most other communities have parks, lakes, sports fields, there is absolutely nothing available either for kids or adults in East Brookwood.	4/1/2019 6:31 AM
67	Enough trails, need viable businesses on route 206. Hardly anybody uses trails (residents).	3/31/2019 5:28 PM
68	Overe all this has been a Great place to raise my children.	3/31/2019 5:09 PM
69	As new residents, about a year+, we are impressed with the township's above efforts and know they take it seriously. The parks are well taken care of and offer various recreating opportunities.	3/31/2019 6:49 AM
70	It's sad that pride in the community is seriously lacking. We have a lot of great things that have deteriorated over time. Recreation should be about more than just the sports teams. I would like to know the percentage of residents without kids on sports teams that would love to have something in our community to do. It's disheartening that a full time rec position was cut to part time and now does not exist at all. I was on the rec committee for a few months and found it frustrating that NO is the go to answer for anything not kids sports related. I would be willing to help the community if the answer to anything is ever, "Let's try". We live in a beautiful place and I'm hopeful this survey will get us moving in a positive direction. Please feel free to contact me for help with anything.	3/30/2019 9:49 AM
71	The township spends way to much money on trails, when they should put more money into the playgrounds or community activities. We have no carnivals, fireworks, anything along those lines. We need more playgrounds. The recreation in our town is non exsistant. I know so many people who express this same opinion and have moved out of this town. we don't want anymore trails, we are tried of going to neighboring towns to participate in community activities. Get it together byram !	3/29/2019 11:39 AM
72	The town needs to do a better job at providing quality fields for girls sports	3/29/2019 11:31 AM

Byram Township Parks and Recreation Plan (PRP)

73	The focus of the survey is all wrong. 10 people hike a week. Hundreds go to the parks for kids activities.	3/28/2019 6:14 PM
74	Keep Byram naturally beautiful. Preserve the parks and it's beautiful lakes.	3/28/2019 5:49 PM
75	Byram does not need anymore open space but just properly maintain the assets it already has, more trail maintenance, dog disposal stations and bags, improve all aspects of township owned property,	3/28/2019 7:07 AM
76	The planning board has had a notorious reputation of stopping so many new businesses from coming into our town. Hoping they will come to realization soon that business will bring in revenue and tax aid for us.	3/28/2019 5:29 AM
77	No	3/28/2019 4:39 AM
78	We need more walking paths/sidewalks in our communities. A 3 foot paved path along our roads in Cranberry Lake, Forest Lakes etc., would give people a safe way to walk in their neighborhoods. The roads are so narrow that at times it can be unsafe.	3/28/2019 4:30 AM
79	Dog park and skating rink would be great.	3/28/2019 4:29 AM
80	Byram promised for years to open land to ATV / motocross use, and never has	3/28/2019 1:44 AM
81	Town should be more dog friendly	3/28/2019 1:37 AM
82	Trails promote exercise & most people need that :-) Trails are good for marketing the town and bringing in more potential customers from out of the area.	3/27/2019 6:53 PM
83	The forest and the lakes are the strongest assets. Trails and access should be optimized. But not over done to the point that it takes away from the natural wilderness.	3/27/2019 6:26 PM
84	As a past chair and member of the the Rec. Committee and past member of the Open Space Committee I believe that there has been a severe decline in the support of recreation in the township (other than purchasing open space parcels and completing one field). The primary reason I withdrew from these committees was I was tired of hearing "NO, we can't do that." This was especially concerning when requesting upgraded ADA access on the paths at CO Johnson. This particular topic was discussed too many times to count over the course of too many years. When the township continually refused to support this need then I determined that it was time to get out.	3/27/2019 4:10 PM
85	We definitely need more options for shopping retail and clothing. Perhaps the reuse of abandoned buildings. All Parks need to be updated and sidewalks need to be available.	3/27/2019 12:45 PM
86	Approve the Quick-Chek already. People are gonna complain about things all the time. If you put a Wawa, Top Golf or Wing Stop there, someone is always going to complain. Any new business to our area is good business. Make it happen and they will deal with it.	3/27/2019 9:17 AM
87	We should discuss with businesses interested in bringing eco-tourism to Byram and negotiate commitments to bring them to our town.	3/27/2019 7:37 AM
88	Sussex Branch Trail needs to be fixed up.	3/27/2019 6:56 AM
89	Perhaps make a page dedicated to Byram trails and loops. I'm sure there must be other trails that I am not taking advantage of, but I am too nervous to explore when I am afraid of getting lost. Also, there has to be a better way of advertising. I don't get any news from the Township regarding events. I have to learn from what I happen to see on social media or from signage. I don't have school children, so I am often not in the loop.	3/27/2019 6:39 AM
90	We have so many parks and yet no one knows about them, I am always driving out of town to Turkey Brook to hang out at the dog park and easy access to the basketball hoops/field access in general. Byram is beautiful and wild but they aren't maintained. there is no dog park to let your dog run around free, and there are no maps informing you while you hike allamuchy state park. no one knows about us. meanwhile there aren't many places to eat, so businesses close whilest they should all be inter connected.	3/26/2019 4:00 PM
91	Community swimming pool would be great.	3/26/2019 10:57 AM
92	Support is needed from the township officials to improve the trail network and actively push to link more trails together. The focus seems to be solely on team sports related recreation which is a valuable part of the community for children but this should not be the only focus. A better trails network will make the residence more healthy and the town more healthy as it will certainly bring non-Byram residents to Byram Twp and our businesses.	3/26/2019 10:47 AM

Byram Township Parks and Recreation Plan (PRP)

93	I think it's imperative, before asking question #35, that people (myself included) are educated about the financial viability of those various types of businesses - what makes the town the most money with the smallest impact to taxes? That's what I want the Town to focus on.	3/25/2019 5:13 PM
94	Love the open space. Let's build on it	3/25/2019 4:31 PM
95	Need better maintenance of existing fields. Repair and reseed fields. Actually trim around goals versus leaving the tall grass.	3/25/2019 3:11 PM
96	It's beautiful here and i don't feel like we should have to share all that much.	3/25/2019 1:57 PM
97	I am encouraged that you are putting forth this thoughtful survey. I think there needs to be a hard look at how our programs are managed because they span 3 towns. I think about the taxes I pay Stanhope, but use Byram fields during football. I think about how I use Netcong fields during Lacrosse. I think about how we play football games in Stanhope at the high school. I hope we start to view the experience offered as a network, not specific by township, even if that means that municipalities coordinate on tax revenue for improvements. The destination towns have amazing sports complexes, parks, parking, and town squares. We have 3 towns that have an opportunity to offer a great experience. -Dan De Oliveira. Cell: 347-901-3304	3/25/2019 12:13 PM
98	We have a beautiful town. We need to take advantage of what makes Byram special.	3/25/2019 7:25 AM
99	The abandoned buildings at the end of Tamarack Road (route 206 end) should be put to use by the township. It doesn't appear any businesses want to go in there. Maybe the large building could become a library? Township offices go in there? An affordable day care center? Also the area lacks access to an indoor pool for year round use. Sussex ymca is too far to drive to. A few years ago Panther lake offered a "Picnic Pass" during summer months to allow residents to use their facilities (pool, lake, fields, etc.) which was really nice but they stopped doing it.	3/24/2019 6:04 PM
100	More events should be back at the Waterloo fields	3/24/2019 4:51 PM
101	We need to bring more business into the town to help with the rising property taxes!	3/24/2019 9:31 AM
102	No	3/24/2019 5:56 AM
103	We love the trails. I wish the town center and abandoned buildings could be replaced with something. The stretch of 206 from The Liquor Factory all the way to Cranberry Lake has some ugly parts. I wish the entrance to North Shore on 206 N had a left turning lane. Also, a left hand turning lane coming out of Cranberry lake on N shore to 206. And one more thing. Summer people coming to Cranberry Lake seem to think the year round residents enjoy their dog poop. We don't. I don't know what can be done about it, but my yard, the parks, the trails are all littered with poop. We have two houses in Cranberry Lake and work hard to keep them nice looking. We are hoping some of the abandoned houses will get worked on this summer. *cough* 3 La Bo Ga.*cough* That's it. Thanks for listening. We love it here.	3/24/2019 5:01 AM
104	I think the town has wonderful parks. I think there is always opportunity to improve. It seems the trail system is an area to do that. I personally have never used the system but I do know people who live toward the city to come out west to hike. They don't use Byram trails but maybe improved trails and improved marketing will attract these people here. That coupled with improved dining or shopping could attract people from surrounding communities to spend the day here. What I am more passionate about are the sports fields. I am a certified sports field manager (1 of less than 300 around the world) and manage a professional facility for a NY based sports team. Our field aren't bad for a park, could they be improved to handle more play? Yes. If that's what the town desires let's focus on that instead of installing a turf field. Turf fields can be a tool but I do not see them as a practical tool for this town with how much space we have. Honestly, with a good plan, proper communication and better use of resources our town could have the best fields around. I would love to speak with you specifically about this if you were interested. My name is Zack Holm and my cell phone is (973) 493-9200	3/24/2019 4:34 AM
105	Need to bring more to BYRAM so people want to stay here and shop, eat, buy gas, bring family to do something if there were things in Byram to do	3/23/2019 7:57 PM
106	C.o Johnson park should have field turf fields and lights. The youth programs would be even greater with lights at the fields and a superior playing surface. To be honest, with the taxes homeowners pay we should have excellent facilities. Right now we are average/below average in my opinion. Bring in bigger business on 206 and more tax money for the town.	3/23/2019 2:44 PM
107	We are the only local field that doesn't have lights. Get these kids lights!	3/23/2019 2:35 PM

Byram Township Parks and Recreation Plan (PRP)

108	I don't believe that any of the above programs are the answer to Byram's sustainability and growth. Parks and trails are in every municipality around us. Open space has consumed Sussex County. Taxes in NJ are forcing people to leave the state. Consolidation of services is one answer to Byram's survival and utility services: gas, sewer and competitive internet/ cable to attract business growth.	3/23/2019 11:30 AM
109	Sparta absolutely kicks our asses with their superior facilities. That is a direct reflection on our home values and the pride we have in our local teams. Sparta is good and competitive and basically every sport at the high school level. Our high school not competitive at all.	3/23/2019 10:30 AM
110	Lesssports, more activities for people who are older or aren't involved with sports	3/23/2019 9:19 AM
111	No	3/23/2019 8:19 AM
112	Keep up the good work	3/23/2019 7:38 AM
113	Your Doing well! Can do better! Keep up the good work!	3/23/2019 3:42 AM
114	Janet did a great job with things like swim lessons and ski club- but they were well kept secrets. Now it seems with her gone things are even less known. Invest in a full time rec manager and model after Jefferson or other towns that run a robust program. And Market to other towns like hoatcong yo join or use things we have that they don't.	3/22/2019 7:12 PM
115	I love living in this town but there are some areas that can be updated to make the town look great. The 2 shopping centers where quick check and the laundromat are located are eye sores! There is not park in east Brookwood and I think that it could be very beneficial to the many young families. We live in east Brookwood and this park could use a small facelift. We live the park for its convience !	3/22/2019 6:28 PM
116	Open space is BS we are buying our income properties	3/22/2019 5:44 PM
117	Too many under utilized trails already. Nothing to hold hikers here when done- vacant businesses on a lot of n/s commercial corridor. You need viable consumer friendly businesses, not more vacant trails. Tax eatables please !!	3/22/2019 3:26 PM
118	Driving down 206 is sad. Too many business are out of business and the town looks rundown. If it weren't for Forest Lakes, I'd be long gone. I was born and raised here and my husband and I are raising our kids here because of the Forest Lakes community I love so much. I love the wildlife, the scenery, the nursery school ... but byram needs a facelift.	3/22/2019 12:12 PM
119	It's terrible. We have rateables but no facilities. The mayor and council have approved another gas station -- that's hardly revitalising business. How about trying to attract REAL businesses to town, not just places to stop, get gas, and leave? Mayor, you are doing a terrible job. People speed through East Brookwood, speed through town -- try going 35 MPH in the morning and you're taking your life in your hands -- there are no sidewalks in any meaningful way to connect neighbourhoods to businesses and what businesses are there that you'd even want to walk to? A gas station? Walk your family along cars speeding down 206? No thanks!	3/22/2019 11:55 AM
120	1. The property across the street from Shoprite is vacant. Maybe that could be the "town hub" instead of CO. 2. What ever happened to the town center? see website: https://www.njfuture.org/smart-growth-101/smart-growth-awards/2011-awards/town-center/ 3. I heard people wanted a pool and there is an old pool next to NJ Wreckers that use to be a camp. Is that property for sale/available?	3/22/2019 7:43 AM
121	We need lights at the baseball fields	3/22/2019 3:58 AM
122	No	3/22/2019 1:06 AM
123	There is so much available in this town that is either mismanaged, ignored, or underutilized. We have a great mix of business areas, neighborhoods, and nature to use and there are empty stores, restaurants constantly going out of business, and not many services/opportunities coming along with the taxes being paid.	3/21/2019 6:45 PM
124	Consolidate efforts with surrounding towns	3/21/2019 6:25 PM

127	The taxes we pay are very close to Mt olive but have much less for kids	3/21/2019 4:52 PM
128	Byram, Stanhope and Netcong work together in Sports and schools. All residents of these towns should be able to use all spaces free of charge.	3/21/2019 4:40 PM

129	No	3/21/2019 2:20 PM
130	Summer & year round recreation/sports programs/camps for elementary school kids don't seem to be available.	3/21/2019 12:18 PM
131	Need better hiking trails	3/21/2019 12:08 PM
132	Build a new municipal complex. Prioritize what's needed before you spend money on unneeded things (Want's vs needs.) Stop harassing the local businesses. The state of our buildings is abhorrent and frankly....embarrassing.	3/21/2019 11:44 AM
133	Whatever improvements are made, it is a long time coming and will be a welcome improvement. Let's not fall any further behind our neighboring towns and improve our overall quality of life for our children. There is not much for them recreationally to do here and that's a shame. We should be embarrassed by the current status of the parks, fields, and trails in the township.	3/21/2019 10:57 AM
134	Help the seniors!	3/21/2019 9:06 AM
135	Teach citizens how to dispose of trash----leave the site/park cleaner than you found it. Don't litter along Byram's roadways and streets. Pickup pet waste. Trash strewn all over townhas a negative impact on Eco-tourism.	3/21/2019 9:04 AM
136	Too many empty buildings.	3/21/2019 8:36 AM
137	Question 46 brings up a good question, is there a email list for the township? I REALLY love the weather updates Chief Zabita posts on the nextdoor application. I look forward to receiving his very detailed and typically mostly correct weather updates, why can't there be a Byram Recreation or Get out and Explore update sent out to the members of the community. Maybe things like that would help get people out on our trails and signing up for our recreational events. Also the township is large, but our recycling center is in my opinion poor. Why can't we promote cleaning up our township with an expanded recycling center. Promote how clean of a town we have while raising awareness for our recreational paths.	3/21/2019 8:31 AM
138	I would really enjoy seeing a dog park be put somewhere. However there should be NO restrictions on what breeds can visit. It is the owners responsibility to know if their dog is well behaved around other dogs.	3/21/2019 8:22 AM
139	I visit mostly for the Highlands Trail, an Appalachian Trail-style long-distance hiking trail, and would love to see more support for it as it passes through!	3/21/2019 7:16 AM
140	Need to excite town to get interest/help in improving parks and rec areas.	3/21/2019 7:03 AM
141	The existing parks should be brought up to a nice usable level, instead of having some of the worst football, baseball and softball fields around. There are numerous resources in this town, as far as skilled residents, who would volunteer or help out to rejuvenate the fields, if the town would supply the materials, people would get together and complete the work. Not to mention we have to pay high fees to join sports leagues, to use a disgusting port o John, which (at CO) is placed right next to a busy roadway. Not the easiest task to navigate when you have more than one child. It should be in a safer area. Also, regarding the stores, let's work on filling the vacant stores, or keeping a business in a location for longer than a year, rather than building more buildings to let sit vacant or un-used (ie old unkies, Adam Todd, tony and rosemaries, building next to Byram diner, mountainside diner etc). If the town was supportive of large, chain industry (quick check gas station) maybe that would help generate revenue for the town and lessen the tax burden on the residents.	3/21/2019 5:38 AM
142	Just more information. This can be posted on the bulliten board in our local shop rite.	3/21/2019 4:59 AM
143	When I first moved to town there was a lot of programs and trips and I used to take my children to as many as I could. Now there are no trips or anything. Just sports. There even used to be Saturday quilting and sewing. Not anymore. Someone dropped the ball	3/21/2019 4:33 AM
144	I think the township needs to find ways to keep the population here which means cutting taxes vs. trying to keep or attract people by adding amenities. We already have much to offer here without having to add.	3/20/2019 7:48 PM

Byram Township Parks and Recreation Plan (PRP)

145	Township needs a plan to make parks ADA compliant. Playgrounds need to be redone with new equipment. Add 1 fully inclusive playground with poured in place surfacing. Playground and parks maintenance plan needed and DPW needs to ensure surfacing is maintained on playgrounds. Using engineered wood fiber or the like requires a frequent maintenance plan to ensure it is safe and accessible. Consider hiring dedicated staff for parks in DPW. Move Byram day to late day into evening event. Research feasibility of surrounds towns doing shared service with Byram Recreation....consider towns besides Netcong and Stanhope. Adding a community center would allow for programming space but the ability to add senior/active adult programming. Create fitness trails with utilizing outdoor fitness equipment. Town needs to look for grants to help develop the parks and develop a sponsorship program. Develop picnic groves/pavilions for rental by both residents and non residents for a fee. I feel this town is only about sports and trails and if either of those are not a choice of yours you must search elsewhere for recreation experiences.	3/20/2019 7:01 PM
146	We would like to see Byram Twp. become more eco-friendly/green.	3/20/2019 4:26 PM
147	Byram Township has a wonderful group of citizens. Wonderful families. Is located in beautiful surroundings. However it doesn't utilize its lands. Open space should be designated to state of the art athletic facilities and state if of the art trails as well as attracting business and beautifying the local shopping areas so all can enjoy this great landscape.	3/20/2019 3:23 PM
148	We need better marked/ maintained trails. Also more fields with lights	3/20/2019 2:36 PM
149	Please look into providing a more inviting look into town. Route 206 looks nice since the improvement, but it is our "Main Street" and should have lamp posts along the sidewalks. This is both a good gentrification project and also safer for pedestrians. Also an inviting town sign. That plastic lettering the state put up looks cheap and terrible. Dog parks, kayaking/canoeing for the "Township of Lakes" please. More festivals at our parks such as craft fairs or food trucks would have great attraction at tamarack park. Classic car shows would be wonderful too. Activity there alone will attract "passersby" out for a summer afternoon drive that are traveling along route 206 for a bite to eat or some shopping. Especially without the chatterbox no longer existing.	3/20/2019 1:53 PM
150	There are some great ideas on this survey that I would love to see implemented!!! Would love to see a dog park at CO Johnson, or really anywhere in this town!	3/20/2019 1:43 PM
151	Although we are a small town with limited resources. I truly believe that it's time to revamp the website, put in more town events not just byram day. Bring in more attractions and why not put in a dog park? Maybe doing dog shows? Whatever it is we are competing with other towns that offer the same outdoor activities.	3/20/2019 1:31 PM
152	Keep tamarack park open all year round! Get rid of the gates!!	3/20/2019 11:47 AM
153	pour small aggregate on the cranberry lake dam... then cover it with sand... make a long beach that the public can enjoy for an entry fee.	3/20/2019 11:01 AM
154	Baseball fields need improvement. They are getting poor and dangerous for youth to play on. Outfields have holes that need to be fix. Infields need to be redo with new dirt. They are hard as a rock in summer. Water to water fields down would be a great help.	3/20/2019 5:56 AM
155	Only reason I noted improved crosswalks as very important is because we have had two pedestrian deaths in recent years of people crossing the street by Sals pizzeria (although, that might be Stanhope). Cranberry Lake Overlook Trail would love to see cleared a little better. Not sure if Byram maintains the Highlands Trail behind Lake Lackawanna/Byram School section, but that is pretty rugged as well. I am not a hunter, but was outraged by NJ making it hard for hunters to hunt on public land this past year. I wish there were designated trails in Byram where ATVs were allowed. I own an ATV would have to tow it to PA to be able to use it. I am generally not in favor of infringing on rights with use of public space. For example, in regards to the question about drones/planes; my heart lights up when I see parents & kids using toy planes and would be sad if they no longer were able to.	3/20/2019 1:32 AM
156	Although I know this is not the plan and the town wants to become more like Roxbury. The best thing about Byram is it rural charm. Keep Byram Green.	3/20/2019 1:16 AM
157	I think byram has a wealth of recreational areas. I am just not aware of all of them and there uses. Maybe a rec page or tab off the town website or a fb page would be helpful. Its also possible this exists already and I just haven't looked or found it.	3/20/2019 12:03 AM
158	You need to change the building fronts. Specifically on 206. They're brick their old they're dated the windows are too small you can't see inside a business you don't know if it's a deli or a pizzeria	3/19/2019 6:12 PM
159	I am not willing to have our taxes increase for this.	3/19/2019 5:48 PM

Byram Township Parks and Recreation Plan (PRP)

160	The girls softball fields are a mess and embarrassing, not the DPW's fault, they are maintained as well as out of date fields can be. Why should the baseball program be given nice fields at CO but the girls old over grown school fields with broken wooden benches and out of date fields at Neil Gyling? If you can not give them nicer fields then why can't they share with baseball?	3/19/2019 5:46 PM
161	Why doesn't Byram offer Camp Lenape any more? Most towns offer low cost rec program over the summer. Byram hasn't offered community program since Janet miesner left. Disappointed	3/19/2019 4:44 PM
162	Something needs to be done about CO Johnson the bathrooms and snack stand need to be revamped.	3/19/2019 4:09 PM
163	With sidewalks limited in the main downtown shopping area of 206, it seems absolutely ridiculous that the township spent money to create a bench seating area at the corner of 206 and Lackawanna. Who in the world would use that? I have NEVER seen anyone seated there. And why would anyone want to "recreate" there, staring at traffic and a bank?! Byram needs to be better stewards of the taxpayers money!	3/19/2019 4:03 PM
164	Byram has an excellent set of outdoor assets. Just maintaining it in its current state would be valuable. Don't let it deteriorate.	3/19/2019 4:03 PM
165	Would like to see the community come together. more events to get involve and volunteer	3/19/2019 3:45 PM
166	Would love a town pool!!	3/19/2019 2:25 PM
167	Byram is a lovely are but it seems more of a pass through town. Its disheartening to see business close down any no new ones take their place. We need to retain current businesses, and bring in new ones. Seeing the Adam Todd on rt 206 empty particularly is an eye sore.	3/19/2019 2:20 PM
168	Bring a new local brewery to town near a trailhead. It would be a big hit and draw for the parks. A brewery - like Czigmeister-not a small bar like Salt is.	3/19/2019 1:00 PM
169	Install lights at the little league fields like every other town in our area. Mount Olive is sure doing things well regarding their parks and recreation facilities. Perhaps talk to someone in Mt. Olive who help coordinate Turkey Brook Park and all of the other recreation facilities in that town.	3/19/2019 12:29 PM
170	I've lived here for about 2 years, my husband has been here for 17. I think Byram has a lot to offer but it's a big place, so careful planning would be important.	3/19/2019 12:16 PM
171	More kid recreation programs.	3/19/2019 9:44 AM
172	Need better maintenance of the school fields, their appearance is embarrassing, basketball courts, softball fields, benches all need to be spruced up	3/19/2019 8:20 AM
173	The schools should include information and they have moved away from connecting community to school unless it is directly connected. Just silly.	3/19/2019 7:46 AM
174	We really have enough open space. Before spending more on parks, focus on getting more rateables in town. Remember we are going to take a huge hit on town hall. Time to stop spending and tighten the fiscal belt.	3/19/2019 7:41 AM
175	Can we get a dog park!?	3/19/2019 7:10 AM
176	I've lived here my whole life and spent most of it unaware that Byram actually had planned and maintained outdoor recreation other than field sports. We have a gorgeous town and I think it could be a great asset.	3/19/2019 6:56 AM
177	Offer lacrosse program more access to fields.	3/19/2019 6:21 AM
178	There are too many vacant stores/units and it would be nice to see more small businesses	3/19/2019 6:14 AM
179	Find a location for the municipal building and police department that's not an embarrassment ! The buildings look poorly and do not reflect what Byram wants to be and is ! Professional, helpful, welcoming !!!	3/19/2019 6:12 AM
180	Keeping a calendar of events and updated list of offerings and contact info for each is a good start	3/19/2019 5:53 AM
181	It's a lovely town, we raised our children there, but it needs more businesses and an area that's nice to walk around- sidewalks and places to eat and places to sit and see your neighbors. It also needs more diversity.	3/19/2019 5:50 AM

Byram Township Parks and Recreation Plan (PRP)

182	This town needs to grow up, the facilities at our fields are emabareasing, our football field is 80 yds with a press box from 1970. Lighting is terrible, clubhouse terrible, port o johns are gross and locks on bathrooms are just moronic. Field's and trails are well kept, seems we do "just enough" to get by. Whoever is on the board has a kid who moves, graduates, etc and progressive movement stops as parent on board exits.. in all honesty, open the bathrooms at CO and Neil, lock em at the end of the night. It's ridiculous we have that bathroom situation. So many simple fixes will go such a long way. And Move the football field! Or add another one. Is the park by panther lake even open?	3/18/2019 5:12 PM
183	Please fix what we have before we add any more.	3/18/2019 4:01 PM
184	it would be great to have a rec center some day	3/18/2019 9:32 AM
185	Byram has great trails and open space. One of it's strengths is it's natural beauty. I think the trails can be marketed better - particularly in combination with the state parks. If the land behind wolf lake opens up for trails as planned there is a great opportunity for promoting new trails and really highlighting Byram as a destination. We need to be sure we take care of the preserved space we have and ensure it continues to be an asset for the town. The sports fields and facilities need some updating and investment. I think that the local sports organizations are vital to getting involved to not only create a list of what needs to be done but to help make them possible through fundraising and/or manpower. I'd like to see more programming for family activities in the town - music, kids hikes, etc.	3/18/2019 9:05 AM
186	There are two areas where greater attention could be paid to the township's open space assets: 1. developing and implementing a regular maintenance plan, schedule and budget for the town's trails and parks. The trail near my house has had a large tree down on it for a long time with no action from the Township. 2. There are a lot of families (parents and grandparents) with young children living in the township, and greater attention should be paid to opportunities to recreate with young children 0-5. There were no questions on this survey about playgrounds, and that is an integral part of the open space experience for families with younger children. Thank you!	3/18/2019 7:52 AM
187	Walking path on North Shore. Seen a lot of almosts over past ten years.	3/18/2019 7:10 AM
188	It's badly managed. poorly budgeted, completely unmarketed, and appeals to such a small segment of the residents as to be almost unworkable.	3/18/2019 5:39 AM
189	We need a NEW planning board... All these things are great, but if we don't have viable business, increase in homeowners/residents this is all pointless. Residents are leaving, houses and buildings/businesses are abandoned or can't stay in business here. We used to have a wonderful summer vacationers.... Even they've been gone for years. Byram needs to stop saying no to every improvement, our taxes are insanely high and this town keeps driving business away. Such a shame.	3/18/2019 2:00 AM
190	It would be great to see further involvement and promotion of the several miles of the Highlands Trail that passes through Byram Township. The Highlands Trail is becoming better known on a regional scale, and much like communities embrace the Appalachian Trail and draw in users to hike/eat/shop/etc., Byram could further embrace the Highlands Trail.	3/17/2019 6:30 PM
191	Would love more opportunities to be able to use kayaks in the area.	3/17/2019 10:33 AM
192	I would love to see the infrastructure taken care of first, before adding more items that will not be maintained. I Do Not want to see more traffic/cars/out of town people/congestion influx. I would like to see open space not be paved over for more fields that I do not use but have to pay for in maintenance/repairs & deal with the increase traffic flow to these facilities. I have seen a terrible increase of traffic on my road. I can no longer safely walk walk my road because of this. I have to take my vehicle to a trail to exercise. So, I am not a fan of bringing more people in.	3/17/2019 9:00 AM
193	I have great hope for Byram's programs, and want to become involved in our Township's activities. From Lake Mohawk, everything is discussed as being Sparta-centric, making Byram a disturbingly distant place where I only vote and pay taxes. Give us time, and hopefully this will change.	3/16/2019 9:08 PM
194	There is enough open space already. Stop selling the farm. Land needs to be developed (obviously in a smart way) to bring in more revenue. With so much open space not bringing in revenue the burden on the local taxpayers will just get worse. Byram needs to focus on developing the commercial Route 206 corridor. So many empty/vacant properties makes the town look bad.	3/16/2019 4:54 PM
195	People love their pets and consider them family members. It's great to give dogs a place to play, just like our children have a place to play. Don't you agree?	3/16/2019 8:42 AM

Byram Township Parks and Recreation Plan (PRP)

196	I'm happy you are taking the time to do this. The Park and Rec department is very important to this town. Off topic, but if we are developing businesses (especially along 206) we need to reexamine the town's obsession with this having a "rural atmosphere." It doesn't have one, especially there. Let's modernize this town, bring in new business, allow different corporations to come in. We have enough banks and, for god's sake, Gas Stations. We are moving towards electric vehicles anyways, why do we waste our land on ancient technologies?	3/16/2019 7:45 AM
197	We have enough Open Space Property. There is no need to purchase more. We should be using the money to upgrade and maintain the play parks we have. Trails require minimal if any maintenance and do not require heavy resources. Eco Tourism does not work since it is not near our business district which is where we need to bring income. I am tired of trails. I have heard about them for the last twenty plus years and have seen no benefit from them only a drain.	3/16/2019 7:36 AM
198	The town should be more walking and bicycling friendly.	3/16/2019 7:14 AM
199	Byram has so many beautiful natural resources and recreational activities, finding the balance between building them up yet not letting them be in too touristy is going to be key so the our residence can enjoy without being overrun or invaded for lack of a better term - example Tomahawk Lake and all the tourist that trash the lake and lake property that used to be a family friendly great local spot and now most people from Byram and Sparta and surrounding local areas avoid going due to the way the tourist behave and trash the place I'd hate to see our parks become the same way yet I'd like to see them improved in some ways it's a tough balance that ultimately I guess no one really has control over - thanks for this survey and for the thoughtfulness in seeking ways to improve	3/16/2019 6:20 AM
200	I feel a new town hall is not necessary taxes are high enough already.	3/16/2019 5:44 AM
201	Town is putting too much focus on eco tourism and not enough attention on sports field and facilities that our children and tax paying adults use the most.	3/16/2019 5:43 AM
202	Bocce courts are a disgrace. Need appropriate surface media, bocce rakes, scoring posts, etc. this is a sport seniors can easily play	3/16/2019 4:55 AM
203	Over the last 40 years Byram has done a great job adding. Now is the time to spend time and resource just maintaining.	3/16/2019 4:14 AM
204	More park and paved bike/running paths like turkey brook park and horseshoe lake park	3/16/2019 4:05 AM
205	I like the old train track because it's flat. It's harder for me to hike up mountains because of a bad knee It would be nice to have access to trails that are easier to hike/walk	3/16/2019 4:03 AM
206	I think the sport fields need to be taken care of more. Especially the baseball/softball fields at CO Johnson. They need a water source to wet down the field in the middle of the summer when it's hot and dry.	3/16/2019 4:02 AM
207	I would really love to have some more restaurants in Byram and also really important to me as a actual bathroom at CO Johnson. I don't think it's a good look for our residence and also for outside teams coming to our town that we only offer a port-a potty. Number one it's not sanitary and number two: people with babies have no place to change their children's diapers. I do think whoever is maintaining the grounds at CO Johnson is doing a great job though. The fields look amazing.	3/16/2019 3:37 AM
208	Town has gone downhill storefronts have left vacant building recreation sports forced to create their own non for profits because the town kicked us out of the town recreation all sports in town should be managed by a township recreation office not volunteers	3/15/2019 6:22 PM
209	Don't force improvements that will just cause more tax increases. We're already facing the loss of school funding and the municipal building replacement.	3/15/2019 6:12 PM
210	i lived in byram all my life, i'm 35, didnt know about the nice trails until 5 years ago. wish i knew i before	3/15/2019 5:43 PM
211	I do not feel we need any more fields or recreation. The children population has gone down in past years and the fields at least CEO Johnson sit empty much of the time. Township workers are being paid to maintain these fields when they are hardly ever used. The playground itself at Co Johnson is less maintained then the playing fields that are mostly empty.	3/15/2019 5:33 PM
212	people leave a lot of trash around	3/15/2019 5:04 PM

Byram Township Parks and Recreation Plan (PRP)

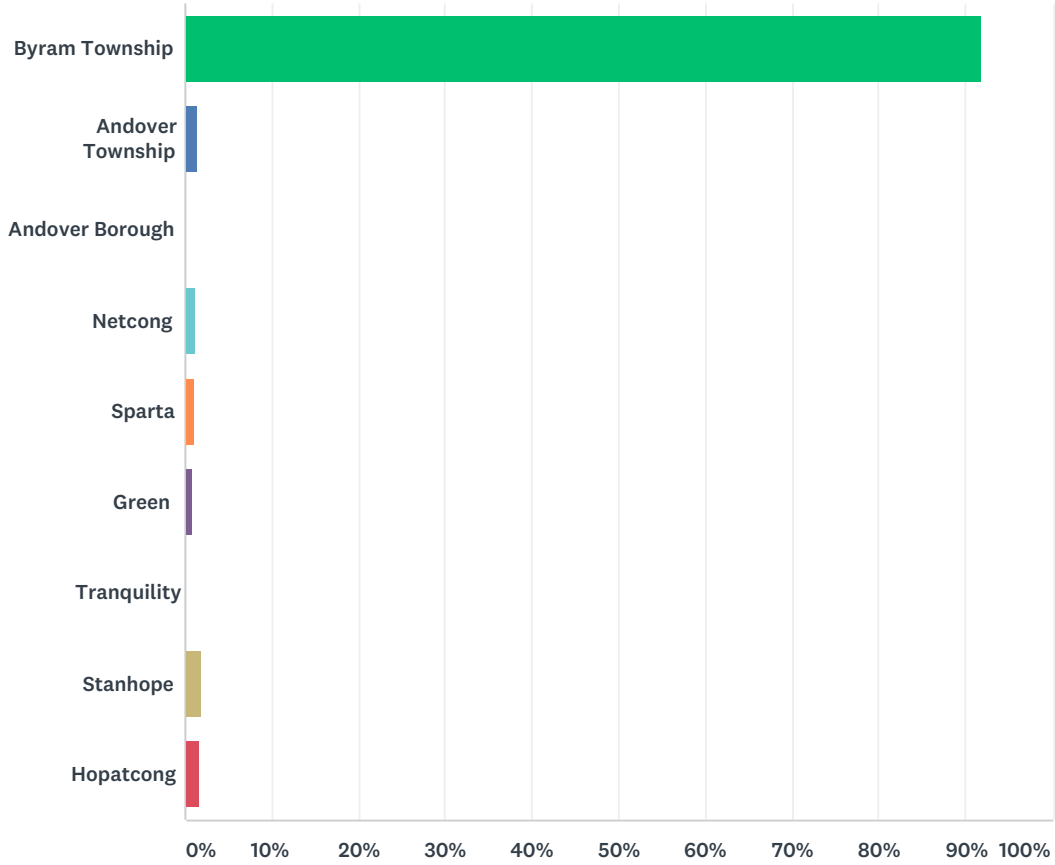

213	Replace the lifeless and stagnant governing body, bring in dedicated and hired full time position for recreation director. The agenda for "future economic development" is good, but what about the people right here and right now? Our children and families deserve more. We are paying high taxes to utilize services in other towns because Byram offers NOTHING. Disgraceful. Bring back life and effort to Byram. Bring in people who promote UNITY and do everything to bring the community together. No more resting on their laurels.	3/15/2019 4:58 PM
214	Turf field is a necessity	3/15/2019 4:48 PM
215	Byram is beautiful, but expensive. Do not raise our taxes.	3/15/2019 4:45 PM
216	This is a little off topic, but I would like to see police enforce NO ATVs in town roads. And NO ATV trails near residences.	3/15/2019 3:50 PM
217	Some of the questions asked are very scary to me and do not have an appropriate answer to relay my feelings. I feel very strongly that I would NOT like anything involving significant development of retail / shopping. 206 is already clogged up enough with traffic as it is. The trails and parks are already great, but more is always welcome. As a parent of a 3 year old, I would welcome additional playgrounds in the park areas of Byram. It seems I am also unaware of some of the facilities and trails that may be available already, so marketing is important.	3/15/2019 3:40 PM
218	Byram is lacking in community recreation programs and town unity. If you go on any of the Sparta websites or Facebook groups you can see all their rec events, teams, opportunities, events. All of their departments have facebooks and instagrams. Very open and involved. Our taxes are the same and yet we seem to have a quarter of the amenities	3/15/2019 3:35 PM
219	I think the recreation is too focused on organized sports and organized community events. As a family. We enjoy doing quiet things together like biking, hiking or walking our dogs. It would be really nice to be able to utilize the Tamarack park as it is very close and we really enjoy it there. Unfortunately we have only been able to gain access about 3x this last year because it is always locked. I don't understand why we have it when it's never open. Not everyone enjoys sports, but that seems to be where the focus is. I would love if that changed. Thank you for asking for the feedback, it is much appreciated.	3/15/2019 2:57 PM
220	We need to look at neighboring towns and be competitive in the recreation activities. We should not have to head to Mt. Olive and Sparta for our families to play.	3/15/2019 2:56 PM
221	Byram has more than enough open space. If you look at a map a large % of town is dedicated to either state or town parks , open space or preserved farmland . The remaining space needs to be developed with businesses that would encourage visitors to stay and spend money.	3/15/2019 2:52 PM
222	Businesses are important on 206 not Parks, or trails	3/15/2019 2:28 PM
223	Too much open space and trails. We need 100% development of the north/south route 206 commercial corridor to bring tax eatables to town. Taxes are out of control with the Highlands constricting tax rates elsewhere in town	3/15/2019 2:28 PM
224	I would prefer to reduce the number of visitors to our community and keep the beauty for the residents.	3/15/2019 2:26 PM
225	Co Johnson in a whole is in great need modernization. The bathroom situation is deplorable. The snack stand is small and dirty, I've worked in it. Baseball fields need lights. Football score booth will probably fall down soon it's such crap. All of the score boards need updating. Football and baseball need some kind of speaker system for announcing. Maybe a common bldg in the middle overlooking baseball and football for scoring and announcing. Football field needs to be lengthened and leveled. I have traveled to many different towns with our sports program and Byram is definitely the poorest in my opinion. Co field could be great if invested in.	3/15/2019 2:24 PM
226	I think the overall appearance of the town needs to be improved. The unfortunate reality of coming off Route 80 and driving up Route 206 is that this area looks like an impoverished area. Every vacant lot is overgrown, including lots within developments. The buildings on Route 206 are old and there is no uniform look. 206 has been undeveloped for way too long. Bring businesses to the town and people will come to visit. The open space and trails we have are some of the town's biggest assets. Visitors will come to enjoy the trails and spend money in town. The sport fields need to be improved. I grew up in the town and the fields at Byram schools are in the same condition they were in 30 years ago. Overall, we need to improve the image of the town.	3/15/2019 2:22 PM
227	Byram folks love nature, concentrate on that and not spending money the town does not have.	3/15/2019 2:19 PM
228	No turf fields. Leave trails with natural paths. Keep the CO Johnson snack stand! That's a great way for the in-town sports programs to help fund their programs!	3/15/2019 2:17 PM

Byram Township Parks and Recreation Plan (PRP)

229	There are little to no playgrounds, and the existing are old and dated. Surrounding towns. Sparta, Mt olive, roxbury all have nice new playgrounds and more recreational activities. A trail thru the woods doesnt do much for me or kids with young children.	3/15/2019 2:16 PM
230	rent a horse would generate tourism and add income to the township	3/15/2019 1:48 PM
231	I think we've aged out of Byram Township. It was a good place to raise kids, but once that's over, there's not much here for older residents. Too much emphasis on trails and outdoor physical activities.	3/15/2019 1:06 PM
232	Town spends too many tax dollars on recreation and parks given the amount of public use	3/15/2019 12:42 PM
233	No	3/15/2019 12:35 PM
234	Route 206, between Lackawanna Dr. and Tamarack Road used to have more restaurants and shopping. It now looks like it's part of a dying town. Take down the D Adam Todd and Mountainside Diner please!	3/15/2019 12:34 PM
235	I don't want to see any tax increases. We need to cut spending not add additional costs to the taxpayers. The facilities we have now are enough.	3/15/2019 12:27 PM
236	Seems we have enough recreational programs available. Byram needs to attract new bossiness to generate more tax flow. our tax rate is horrible for what we receive. Its very nice to think about open spaces, recreation, etc,etc. bottom line is what it is costing already overburden tax payers!!!	3/15/2019 12:26 PM
237	I love this town and I want to stay living in this town but this town has absolutely nothing to offer and the taxes are not a reflection of that please provide us with more	3/15/2019 12:21 PM
238	The newer Byram Trail is great and getting more and more use. More trails would be great if possible. Recreational, exercise and instrutural programs would be very nice for young and old.	3/15/2019 12:14 PM
239	Regularly scheduled, guided hikes (by someone who knows the trails in advance, has safety training, and perhaps knowledge of town history), would promote the trails we already have. The Byram 50 Mile challenge was an excellent idea a few years back. Why wasn't it repeated? More year-round programs for adults: team sports, craft or educational workshops, etc.	3/15/2019 12:11 PM
240	Our fields are not on par. We travel to many other communities with beautiful turf fields, lights, etc. We need to be competitive in order to retain our youth athletes.	3/15/2019 12:08 PM
241	I would love to visit Tamarack Trail more, but the parking on the 206 side is ALWAYS closed. It would be great if the gates were open.	3/15/2019 12:01 PM
242	I not really recreation, but I'd love to see sidewalks on Lackawanna Drive.	3/15/2019 11:55 AM
243	More time and effort into maintenance of grass fields including irrigation for grass fields OR artificial grass fields for field hockey, soccer, football	3/15/2019 11:46 AM
244	Thrilled to see this survey and the proactive approach. Byram has so much untapped potential. We have found it to be a great community of people and can be even greater.	3/15/2019 11:44 AM
245	I feel it is important to make sure parks and fields are handicapped accessible	3/15/2019 11:38 AM
246	We have too many playing fields that sit empty and unused for 9 months of the year. Tamarack park was a beautiful meadow where many people took their dogs all year long. Now it is a couple of empty playing fields that are barely used.	3/15/2019 11:37 AM
247	Since we now own Johnsons pond it would be nice to see some weed maintenance. If nothing is done it will be just a swamp in a few years. In the 80's and 90's there was plenty of open water. Now it is almost completely weed choked during the summer months and getting worse every year.	3/15/2019 6:36 AM
248	Would like the Mayor and Council to make a firm commitment to improvements and not depend on volunteers to maintain. This will require budget impacts.	3/14/2019 5:34 AM
249	took me 21 minutes to fill this out the second time without interruption to write comments down.	3/6/2019 11:08 AM
250	Bye! Still very long, will send corrections/changes via email in addition to those I added in comments boxes.	3/6/2019 9:59 AM
