B. For purposes of this Agreement, the term "Police Officer" or "Employee" shall be defined as a full-time uniformed Police Officer employed on a permanent basis, and to include the plural as well as the singular, and to include females as well as males. Special Police, school crossing guards, and police matrons are expressly excluded.

ARTICLE I

RECOGNITION AND EXCLUSIVITY OF REPRESENTATION

ARTICLE II

REPLACEMENTS

A. No full time Employee covered by this Agreement shall be replaced by a non-Police Officer, part time or other personnel.

B. No post presently filled by a full time Employee covered by this Agreement shall be covered by any non-Police Officer, part time or other personnel.

ARTICLE III

ASSOCIATION REPRESENTATIVES

B. The Association shall furnish the Employer in writing the names of the representatives and the alternates and notify the Employer of any changes.

C. The authority of the representatives and alternates so designated by the Association shall be limited to, and shall not exceed, the following duties and activities:

1. The investigation and representation of grievances in accordance with the provisions of the collective bargaining agreement.

2. The transmissions of such messages and information which shall originate with, and are authorized by the Association or its Officers.

D. During collective negotiations, the Employer shall excuse one (1) Officer for the purpose of attending mutually scheduled negotiation sessions. If the Officer is on regular duty during the negotiations sessions, the Officer shall be in appropriate uniform, ready to respond to emergency calls and shall be paid at his regular rate of pay.

ARTICLE IV

PBA REPRESENTATIVES

A. The Employer agrees to grant the necessary time off without loss of straight time pay to two duly authorized members of the Association to attend State Conventions of the New Jersey Policemen's Benevolent Association.

B. The Association shall be provided with 120 hours of Association time off annually without loss of pay for use by Association representatives if the President or State Delegate of the Association is employed in this unit. If not, the annual paid Association leave time shall be 60 hours. This clause shall be in addition to the statutory rights provided under N.J.S.A. 40A:14-177.

ARTICLE V

MANAGEMENT RIGHTS

A. The Township hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the laws and Constitution of the State of New Jersey and of the United States, including, but without limiting the generality of the foregoing, the following rights:

1. To the executive management and administrative control of the Township Government and its properties and facilities, and the activities of its Employees;

2. To hire all Employees and subject to the provisions of law, to determine their qualifications and conditions for continued employment, or assignment and to promote and transfer Employees;

3. To suspend, demote, discharge or take disciplinary action for good and just cause according to law.

B. Nothing contained herein shall be construed to deny or restrict the Township of its rights, responsibilities and authority under *R.S. 40* and *R.S. 11*, or any other national or State Laws.

ARTICLE VI

NO STRIKE PLEDGE

A. It is recognized that the need for continued and uninterrupted operation of the Township's Departments and Agencies is of paramount importance to the citizens of the community, and that there should be no interference with such operations.

B. The Association covenants and agrees that during the term of this Agreement neither the Association nor any person acting in its behalf will cause, authorize, or support, nor will any of its members take part in, any strike (*i.e.*, the concerted failure to report for duty, or willful absence of an Employee from his position, or stoppage of work or abstinence in whole or in part, from the full, faithful and proper performance of the Employee's duties of employment) work stoppage, slowdown, walk-out or other job action against the Township.

C. The Association agrees that it will do everything in its power to prevent its members from participating in any strike, work stoppage, slowdown, or other activity aforementioned, including but not limited to publicly disavowing such action and directing all such members who participate in such activities to cease and desist from same immediately and to return to work, along with such other steps as may be necessary under the circumstances, and to bring about compliance with its order.

D. In the event of a strike, slowdown, walk-out, or job action, it is covenanted and agreed that participation in any such activity by the Association member shall entitle the Township to take appropriate disciplinary action including possible discharge in accordance with the applicable law.

E. Nothing contained in the Agreement shall be construed to limit or restrict the Township in its right to seek and obtain such judicial relief it may be entitled to have in law or in equity for injunction or damages, or both, in the event of such breach by the Association or its members.

ARTICLE VII

GRIEVANCE PROCEDURE

A. Purpose.

1. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise as to the terms and conditions of this Agreement. The parties agree that this procedure will be kept as informal as may be appropriate.

2. Nothing herein contained shall be construed as limiting the right of any Employee having a grievance to discuss this matter informally with any appropriate member of the departmental supervisory staff and having the grievance adjusted without the intervention of the Association.

B. Definition.

1. The term "grievance" shall cover issues of application or interpretations of this Agreement, and is meant to provide means by which Employees covered by this Agreement may appeal the interpretation, application, or violation of policies, agreements and administrative decisions affecting them.

2. A grievance may be raised by an Employee, or group of Employees covered by this Agreement or the Association through the representative employed by the Township.

C. Steps of the Grievance Procedure.

1. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement and shall be followed in its entirety unless any step is waived by mutual consent:

STEP ONE

a. The aggrieved Employee or the Association through representative employed by the Township shall first notify the Chief of Police, or his designee, of the nature of the grievance within seven (7) calendar days after the event giving rise to the grievance. Said notification must be in writing setting forth the nature of the grievance. Within five (5) calendar days after receiving such written grievance, the Chief shall arrange to meet with the complainant for the purpose of attempting to adjust or resolve such grievance. The Chief shall give his decision in writing within five (5) calendar days after such meeting.

b. If the grievance is moved by an aggrieved Employee, the Association representative employed by the Township shall be notified of the meeting between the Chief and the aggrieved Employee and shall have the right to have a representative present and to participate in the meeting. Except for disciplinary matters that are specific to the aggrieved Employee, the Township and the aggrieved Employee may not enter into a settlement of a grievance without the approval of the Association representative employed by the Township.

STEP TWO

a. If the aggrieved Employee(s) or the Association through the representative employed by the Township wish(es) to appeal the decision of the Chief of Police, or his designee,

or in the event that the Chief of Police or his designee fails to respond within the time provided, then the aggrieved Employee(s) or the Association through the representative employed by the Township shall present the grievance to the Township Manager, or his designee, within ten (10) calendar days. Said notification must be in writing setting forth the nature of the grievance. Within five (5) calendar days after receiving such written grievance, the Township Manager or his designee shall arrange to meet the aggrieved Employee or the Association through the representative employed by the Township for the purpose of attempting to adjust or resolve such grievance. The Township Manager or his designee shall give his decision in writing within twenty-one (21) days after such meeting.

b. If the grievance is moved by an aggrieved Employee, the Association representative employed by the Township shall be notified of the meeting between the Township Manager and the aggrieved Employee and shall have the right to have a representative present and to participate in the meeting. Except for disciplinary matters that are specific to the aggrieved Employee, the Township and the aggrieved Employee may not enter into a settlement of a grievance without the Association's approval.

STEP THREE

If no satisfactory resolution of the grievance is reached at Step Two, then within seven (7) calendar days, the grievance may be referred to binding arbitration only by the Association through the representative employed by the Township. An Arbitrator shall be selected in accordance with the procedures of the Public Employment Relations Commission. However, no arbitration shall be held for a period of thirty (30) days. In the event the aggrieved party or the

Association files for a review by the Department of Personnel, the matter shall be withdrawn from arbitration and all filing costs shall be borne by the aggrieved or the Association.

1. Unless the parties agree otherwise, no more than one (1) issue (aside from the issue of arbitrability) shall be presented to an arbitrator in any single case.

2. The fees and expenses of the Arbitrator shall be borne equally by the parties. Any other expenses incurred by the parties, including but not limited to the presentation of witnesses, shall be borne by the party incurring same.

3. The Arbitrator shall be bound by the terms and conditions of this Agreement and shall not have any power to add to, subtract from or in any way modify any of the terms of this Agreement.

4. The decision of the Arbitrator shall be in writing with the reasons therefore and shall be binding upon the parties; subject, however, to any applicable statutes and case law available to the parties.

5. Either the Township or the Association may waive any of the steps of the grievance procedure, but said waiver can only be done in writing with the consent of the other party in question.

6. The time limits set forth herein shall be strictly adhered to. If any grievance has not been initiated within the time limit specified, the grievance shall be deemed to have been waived. If any grievance is not processed to the succeeding step in the grievance procedure within the time limits prescribed, the disposition of the grievance at the prior step shall be deemed to be conclusive. Nothing herein shall prevent the parties from mutually agreeing to expand or

contract the time limits provided for processing the grievance at any step in the grievance procedure.

ARTICLE VIII

DUES CHECK-OFF

A. Upon presentation to the Employer of a dues check-off card signed by individual Employees, the Employer will deduct from such Employee's periodic salaries the amount of Association dues set forth on said dues check-off authorization card.

B. Changes in the amount of said dues shall not be made more than two (2) times per calendar year.

C. Thereafter, the Employer will, as soon as practicable, forward a check in the amount of all dues withheld for the purpose to the Association representative entitled to receive same.

D. The said Association representative shall be appointed by resolution of the Association and certified to the Employer by the Association. The sole obligation of the Township shall be to deduct the dues and forward same to the Association representative.

E. The Association agrees to indemnify, defend and save the Township harmless against any and all claims, demands, suits or other forms of liability that may arise out of or by reason of action taken by the Township in accordance with the instructions of the Association pursuant to this Article.

ARTICLE IX

AGENCY SHOP

A. If an Employee does not become a member of the Association during any membership year (from January 1 to the following December 31) which is covered in whole or in part by the Agreement, said Employee will be required to pay a representative fee to the Association for the membership year. The purpose of this fee will be to offset the Employee's per capita cost of services rendered by the Association as majority representative.

B. Membership Dues, Fees & Assessments-Representation Fee

1. Prior to the beginning of each membership year, the Association will notify the Employer in writing of the amount of the regular membership dues, initiation fees and assessments charged by the Association to its own members for that membership year. The representation fee to be paid by non-members will be equal to eighty-five (85%) percent of that amount.

2. In order to adequately offset the per capita cost of services rendered by the Association as majority representative, the representation fee should be equal in amount to the regular membership dues, initiation fees and assessments charged by the Association to its own members, and the representation fee has been set at eighty-five (85%) percent of that amount solely because that is the maximum presently allowed by law.

C. Representation Fee Deduction

1. Once during each membership year covered in whole or in part by this Agreement, the Association will submit to the Employer a list of those Employees who have not become members of the Association for the then current membership year. The Employer will deduct from the salaries of such Employees, in accordance with paragraph 2 below, the full amount of the representation fee and promptly will transmit the amount so deducted by the Association.

2. The Employer will deduct the representation fee in equal installments as nearly as possible from the paychecks paid to each Employee on the aforesaid list during the remainder of the membership year in question. The deductions will begin with the first paycheck paid:

a. Within twenty-one (21) days after the receipt of the aforesaid list by the Employer; or

b. Within thirty (30) days after the Employee begins his or her employment in a bargaining unit position, unless the Employee previously served in a bargaining unit position and continued in the employ of the Employer in a non-bargaining unit position or was on layoff, in which event the deductions will begin with the first paycheck paid ten (10) days after the resumption of the Employee's employment in a bargaining unit position, whichever is later.

3. Except as otherwise provided in this article, the mechanics for the deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Association.

4. The Association will notify the Employer in writing of any changes in the list provided for in paragraph 1 above and/or the amount of the representation fee, and such changes will be

reflected in any deductions made more than twenty-one (21) days after the Employer received said notice.

5. On or about the last day of each month, the Employer will submit to the Association, a list of all Employees who began their employment in a bargaining unit position during the preceding thirty (30) day period. The list will include names, job titles and dates of employment for all such Employees.

D. Demand and Return System

PBA Local 138 shall establish and maintain at all times a demand and return system as provided by N.J.S.A. 34:13A-5.5(c) and 5.6 and membership in PBA Local 138 shall be available to all Employees in the unit on an equal basis at all times. In the event PBA Local 138 fails to maintain such a system or if membership is not so available, the Employer shall immediately cease making said deductions.

E. The Association agrees to indemnify, defend and save the Township harmless against any and all claims, suits or other forms of liability that may arise out of or by reason of action taken by the Township as a result of fulfilling its obligations under this Article.

ARTICLE X

OVERTIME, WORK WEEK & WORK DAY

A. Overtime shall be defined as work in excess of a regularly scheduled tour of duty or in excess of eighty (80) hours worked during a fourteen (14) day cycle. Overtime shall be paid at time and one-half the Employee's straight rate in cash compensation or in compensatory time (1½ hours for each hour worked) which shall accumulate in comp time off (CTO) bank. CTO shall be taken at the Employee's request, subject to the approval of the Chief of Police. After a member covered by this agreement has accumulated over four hundred forty-four (444) hours in his CTO bank, the Chief of Police may, at his discretion, schedule said member time off to reduce his CTO bank to four hundred forty-four (444) hours. Time off for this purpose shall be granted in an amount equal to one working day. The Employee shall have the sole option to elect cash compensation or CTO for purposes other than CTO accrued as a result of the twelve (12) hour scheduling option. The utilization of CTO shall be subject to law. Overtime shall be paid on a semi-monthly basis with pay periods falling on the 15th and 30th of the month.

B. All overtime tours of duty shall be offered to the full-time regularly employed members of the force prior to offering such overtime to part-time Employees or any other person. In addition, all overtime will be offered to said full-time Employees in order of available seniority. However, nothing herein shall prevent the offering of overtime outside the order of seniority in the event said overtime function is that of a specific duty with respect to a specialized area to which said Employee has been assigned by the Chief of Police.

When management determines there is a need for overtime on the subsequent shift then those working shall be provided with the first opportunity to holdover and work hours into the subsequent shift as long as the overtime is for four (4) hours or less.

When management determines a need for coverage arises late in a shift, then those Officers assigned to working the subsequent shift will be given the first opportunity to work by coming in early on overtime as long as the overtime is for four (4) hours or less.

In no event shall an Employee work more than sixteen (16) continuous hours as a result of an overtime assignment as set forth in this provision.

C. Any Employee covered by this Agreement shall receive the pay of the higher rank when assigned the job duties of the higher rank for the actual time spent in the higher capacity. The rate of pay (straight or time and one-half) shall be defined by the regularly scheduled tours of duty of the Officer working in the higher rank.

D. It is understood and agreed that when no supervisory position is assigned by the Department, Police Officers shall not be responsible for other than their own duties.

E. The established duty schedule for any Employee covered by this Agreement will not be amended to eliminate or reduce already accumulated overtime by reduction in scheduled work hours except where the Employee elects CTO. The established schedule can be adjusted by management for the purpose of training with a minimum of four (4) weeks prior notice, unless waived by the Employee or in the event of an emergency as defined by N.J.S.A. 40A:14-134 or when mandated by such appropriate authority as the Attorney General or County Prosecutor.

F. No member covered under this Agreement shall be scheduled to work more than six (6) consecutive regular tours of duty nor shall he receive less than two (2) consecutive regular

days off. If a member works six (6) consecutive regular tours of duty, said member shall receive two (2) consecutive regularly scheduled days off immediately following the regularly scheduled six (6) tours of duty. No member shall have less than eight (8) hours off between regularly scheduled tours of duty. A member can waive this paragraph if he so desires.

G. All work schedules shall be posted at least four (4) weeks in advance of the time scheduled pursuant to current practice.

H. The Township of Byram agrees to continue the twelve (12) hour shift duty schedule. The schedule may at any time be returned to an eight (8) hour tour of duty at the discretion of the Chief of Police upon thirty (30) days' notice.

The twelve (12) hour schedule will consist of eighty-four (84) regularly scheduled hours in a fourteen (14) day cycle, four (4) hours of which shall be accumulated in a compensatory time off bank at time and one-half.

I. Lieutenant may work a ten (10) hour shift schedule. The schedule shall be a four (4) on three (3) off concept, hours to be determined by the Chief of Police. All other contractual scheduling requirements apply.

J. One member may be assigned as a "Traffic Officer" and may work a ten (10) hour shift schedule. Hours will be determined by the Chief of Police based on need. All other contractual scheduling requirements apply. Assignment of member to "Traffic Officer" shall be at the discretion of the Chief of Police with the consent of the assigned member.

K. Members shall be authorized to make mutually agreeable and voluntary individual single day shift changes with the approval of the Chief of Police.

ARTICLE XI

HOURLY RATE AND OVERTIME RATE

A. To compute the Employee's base hourly rate for overtime or other purposes, the Employee's yearly base pay together with longevity entitlement shall be divided by two thousand eighty (2080) hours.

B. On those occasions where the Employee is entitled to time and one-half, the rate shall be computed by multiplying the hourly rate by one hundred and fifty percent (150%).

ARTICLE XII

RECALL

Any Employee who is called back to work after having completed his regularly scheduled shift or during a scheduled day off shall be guaranteed four (4) hours pay at the time and one-half (1½x) rate provided the time is not contiguous to the workday. Employees shall be guaranteed a four (4) hour minimum per court appearance at the time and one-half rate except for Byram Township Municipal Court which shall remain a two (2) hour minimum. In the event that an Officer completes his court duties in less time, the Township reserves the right to assign the Officer to "on duty" status for the time remaining.
