Application Permit Checklist:

- Plans (4 copies)
- Application Fee \$50
- Initial Escrow Deposit (\$1,000)
- W-9
- Insurance Certificate 213.7

The applicant agrees to replace at his own cost and expense the street, curb, gutter and sidewalk in the same state and condition in all things as they were at the time of commencement of the work within 48 hours of the commencement of the same.

The applicant shall submit an initial deposit of \$1,000, to be put in escrow to defray the cost of inspections, legal or professional review, or engineering work. If the deposit does not cover said costs, then additional fees will be required. Failure to do so shall stay the issuance of the street excavation permit fee. Any remaining funds shall be returned to the applicant.

The applicant agrees to comply with Township Code: Chapter 213. Streets and Sidewalks Article 1. Streets and Sidewalks and any other Township Codes that are applicable for the purpose of the road opening permit.

Signature of Applicant _____ Date _____

Signature of Clerk Acknowledging all Checklist Items Received: _____ **Date** _____
Authorization of Permit:

Surface Restoration Plan/Repair Requirements: All pavement surfaces shall be repaired in accordance with the attached Trench Repair Detail (see attached). Any request to deviate from the attached Trench Repair Detail will require approval by the Township Engineer and/or Superintendent of Public Works. Please detail below proposed changes.

Additional Comments: _____

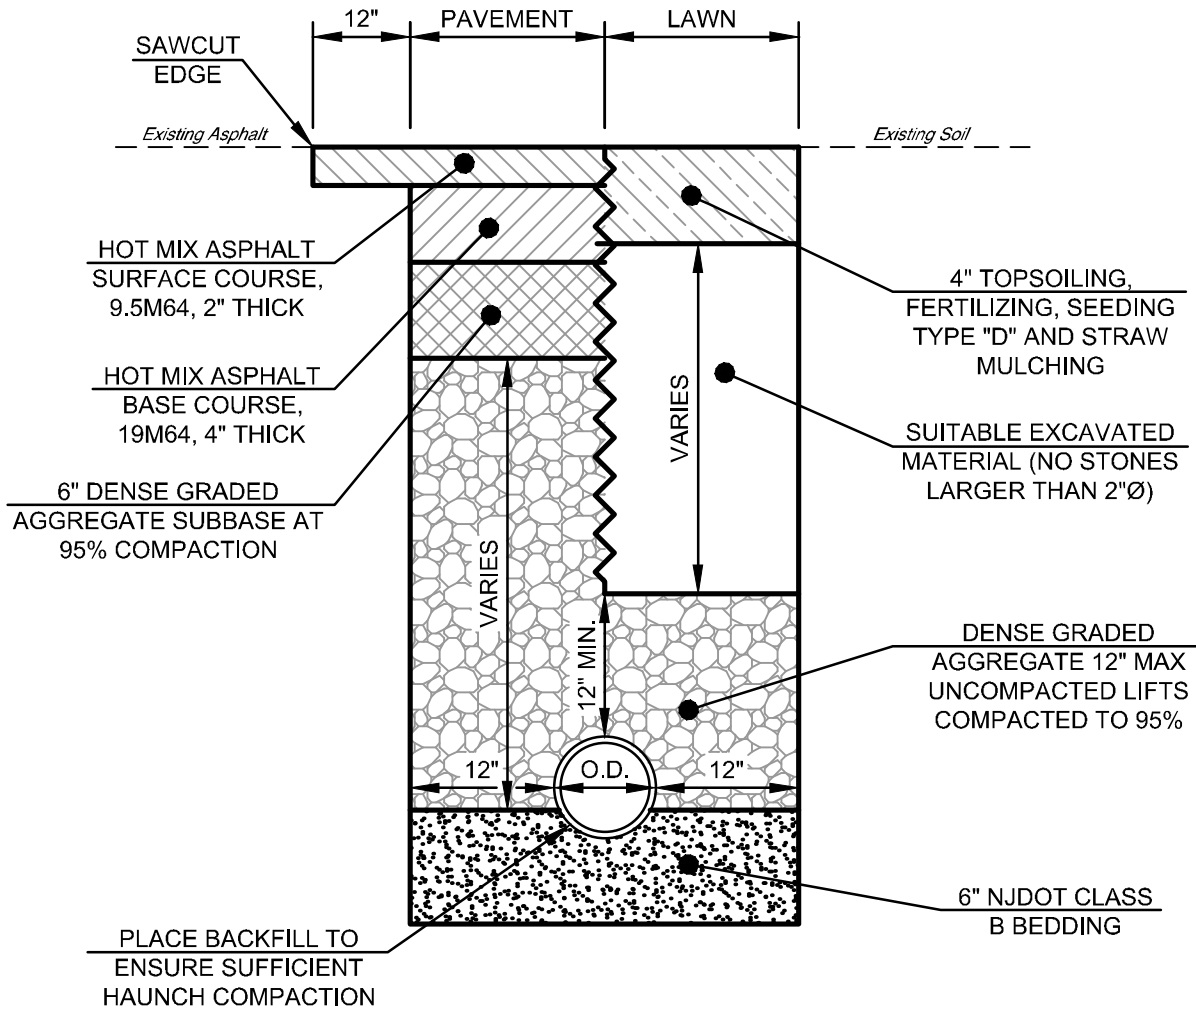

Signature of Township Engineer/DPW Superintendent: _____

Date: _____

When the Township Engineer/DPW Superintendent is satisfied that the conditions of the road have been reconstructed and meets the requirements outlined in the surface restoration plan/repair requirements and all final billing has been completed, he/she shall sign below on the permit and forward to Township Treasurer so that any balance of escrow funds may be made properly thereafter.

Signature of Township Engineer/DPW Superintendent: _____
