**Please do your part to keep Byram Clean!**

## NEWS ON BYRAM TOWNSHIP'S RECYCLING PROGRAM

Looking to get ahead of NJ's ban on single use plastics? Please use reusable containers and bags to protect our rivers, lakes and streams. Less than 10% of plastics in the US are recycled, and the rest are sent to landfills, incinerated or end up polluting our waterways. Many stores sell reusable bags for a nominal fee, or you could make your own by upcycling old t-shirts. Please recycle and reuse whenever possible!
