Country Fusion for Kids is a program that will better the lives of every participant. Outside of the fitness workout, the program will allow participants to use their body more effectively, improving their overall health and fitness while learning how to line dance and engage socially. In turn, this will build an unbreakable confidence they will carry throughout their life. The instructor will inspire those in class to go beyond their own expectations and help discover something within themselves. Country Fusion for Kids is not just a dance fitness program but a lifestyle.
