## February Process Art Class

✨ A magical, hands-on art experience for  
young creators ages 4-9 ✨

Each week, children will dive into joyful, hands-on art experiences — painting, sculpting and lots of fun! Let your child step into a snowy world of imagination as they explore:

- Painting, stamping, and sensory art
- Color mixing with pinks, reds, and whites
- Open-ended art that celebrates creativity
- Fine motor skill development
- A joyful, mess-friendly environment

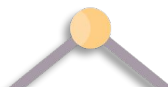

Led by experienced early childhood educators, our focus is on **process over product**—encouraging creativity, curiosity, and joy in every swirl, sprinkle, and splash.
