## WINTER WONDERLAND

 **A magical, hands-on art experience for young creators ages 4-9** 

Each week, children will dive into joyful, hands-on art experiences — painting, sculpting and lots of fun! Let your child step into a snowy world of imagination as they explore:

- Frosty paint mixes
- Sparkling collages
- Snow dough + winter sensory play
- Ice painting + shimmering textures
- Open-ended creation stations

Led by experienced early childhood educators, our focus is on **process over product**—encouraging creativity, curiosity, and joy in every swirl, sprinkle, and splash.
