## **\*Please Read\***

Dear Resident:

May 18<sup>th</sup> 2026

A contractor working for Byram Township will begin work on a milling/paving project that may impact you. There are various roadways in multiple areas of the Township. Please refer to the work schedule below that reflects the **tentative start dates**. Note that the work will consist of **multiple days of milling and paving**.

The tentative date of the milling the roadways, **weather permitting**, will be **on or about Monday June 1<sup>st</sup>**

- Colby Drive
- Manu Trail
- Hunters Lane
- Ghost Pony Road
- Old Indian Spring Road
- Little Paint Way
- Roger Drive
- Cross Trail
- Knute Drive
- C.O. Drive

The tentative schedule for paving the above roadways, **weather permitting**, will be after all milling is completed. **Please subscribe to Byram Townships Nixel which can be found on the township website, to receive updates on this project.**

We are asking that all vehicles be removed from the roadways from 7am till 6pm. **During this project, access to driveways may be impacted.**

If you are anticipating any deliveries involving large vehicles, have landscapers working, or are getting a septic system pumped out, please plan accordingly and schedule this when work is completed.

Township employees will be in the area to help direct traffic and ensure safe passage. If you have questions regarding this project, or have special needs, please contact Department of Public Works Superintendent Michael Orgera at 973-347-2500 x137 or via email at [morgera@byramtwp.org](mailto:morgera@byramtwp.org).

We appreciate your cooperation during this project.

Sincerely,

Michael Orgera, Superintendent of Public Works
